No Assistance Needed.

At a meeting of the citizens of Silver City, held at Newcomb ball, on Friday, shape, July 28, 1895, to consider the feasibility Mrs. Julia Black, proprietress of the of sending forth a circular asking for Broadway hotel, returned from Califor aid to our stricken city caused by the flood of Sunday evening, July 21st, Mrs. T. M. Fendall and her charming 1895, it was decided that no such circudaughter, Miss Ons, have left Deming | lar should be sent but that the citizens such relief as might be desmed necessary. A committee was ordered appointed County Commissioner Jas. N. Upton by the mayor to solicit subscriptions, went out to his ranch on the Mimbres and the following gentlemen were named. Thos. Foster, J. R. Johnson, W. H. Jack returned from the north | Aaron Schutz and Robert Black.

The meeting was addressed by a numpostion to asking aid was quite pronounced. As an indication that they meant what they said \$950.00 was subscribed upon the floor and a general sub-

scription paper at once prepared. Hon. D. P. Carr, correspondent of the Albuquerque Citizen was present, and requested permission to read a commu-Mrs. Abe Abraham returned from nication be had prepared for his paper California last Friday. Some will say that it smacks of false pride, while | Mrs. Dr. Woodville, an old resident, others applaud it as a great act of inde-

The first matters looked after by poor people who lost all they had and have no means of relieving their condition. Then the sanitary condition of the city came in for attention. And this is certainly a very serious feature. Cempools and closets were flooded and their flithy contents brought to the surface. Stables, pig stys, and every concoivable source of disease-breeding fifth were washed down and their unhealthy matter thrown into the cross streets to fester. In addition to this deplorable state of affairs, the washings of the hills and eanons surrounding the town have The telephone instrument at Gila was urned out during the recent electric arm in that vicinity less week and burned out of the state of the sand of the sand and debris. As many men and teams as can be employed have been put to work cleaning the recent and the sand and debris. to work cleaning the streets, and if fair weather prevails a few days longer much of the filth will have been removed.

The roads will then come in for attention. They are in a terrible condition; saued by Justice Givens on the 20th they were, and it is quite probable that inst., and the prisoner was committed for many years to come they will not be as level and free from rocks and other
